I've only been having anal sex for a year now. I don't know why I wasn't doing it earlier, because it's fun and quite exciting and a whole different climax than with my clit or pussy. I guess it was pretty taboo to think that a cock would go into my tight butthole!

T.K.'s GIRLFRIEND'S FRIEND

My name's Barry Saunders. No, not Barry Sanders, the football player, and I'm 42 years old and if you ever had a hangover you know it sucks! This time it was a Friday night, and I had a bad headache from work so I asked my brother for some aspirins and he gave me two and it helped. A couple hours later and feeling better, I got a call from my buddy T.K. asking if I was into hanging for a while and I said 'Sure.' He then asks if he could bring his girlfriend and her friend, so I said that would be fine with me. A half hour later he calls me and said they decided to go over to their house. I say 'Whatever. That's cool with me.'

They pick me up and we head out for their place. T.K.'s girlfriend's friend, Hannah, was looking really nice with a nice rack and long slim legs. She wore a nice simple dress and had a great smile with full sensuous lips. When we got in T.K.'s car, she sat in the back with me and we made small conversation to get to know each other a bit. When we got to the house, we kicked back with some beers and sat down to watch some television in the living room. When I noticed it, the new TV was huge. T.K. had been talking about getting a room-size TV and it almost was that big.

"It's 100 inches of 4K," he said, but they make a bigger one." The girls giggled. He put one of his favorite tube channels on the screen. It was a black and white Sixties softcore movie with busty actresses with big pointy boobs. Ten minutes in and I needed my drink refreshed and went into the kitchen with T.K.'s girlfriend to get some for everyone. "Hannah wants to suck your cock," she said right out of the blue. I looked at her and

just smiled. I didn't know what to say. When we came back to the living room, Hannah was now on the sofa and T.K. had moved over to the loveseat. They were trying to get me to sit next to her.

The movie ended a half-hour later and Hannah puts her head on my lap as if to catnap. But she then reaches over and puts her hand by my dick and began moving it around my crotch making me hard. She looks up, smiling at me and asked if I liked it and I told her I did. I look at T.K. and he motions me with a nod of his head that we can go use the guest bedroom. She took me by the hand and I followed her to the room. I closed the door behind us and turned the light off. She pulled me over to the edge of the bed and whispered "Get those pants off." I unzipped and slid them down halfway and she told me to lay down on the bed. Once I laid down she climbed on top of me and grabbed my dick and slid it in her mouth. It felt so good. She was moaning while twirling her tongue around the tip of my dick and then she would go further down and come back up. It was great.

I started to play with her boobs and she was going faster and faster until I couldn't take it anymore. I told her I was going to cum and she just kept sucking. I then shot load after load down her throat. Some was dripping on to my dick and she licked it off. We disrobed completely and got horizontal on the bed.

Jayden: Hi, hope you haven't been waiting long? My hair took forever to dry!

Jayden: Thanks. Can I first buy you a beer? Then you can buy me the next. I'd like that.

We fucked all night until the sun came up and did it for a couple hours more. It was an amazing night and I've been seeing Hannah regularly. Her sexual appetite has not diminished and mine has grown. If things stay like this for a few more months, I may pop the big question.

— Barry, TN

A BIG LESSON LEARNED

I'm writing as a lesson for all you men and women if you decide to cheat on your significant other. A couple months ago I had to attend a meeting at a hotel conference center near the airport. Some material I needed was at the house, which is on the way to the hotel, so I stopped in to pick them up. I noticed my husband's car in the driveway and thought he had come home from work early. When I walked into the house and into the bedroom looking for him, I found him (the bastard) with another woman. He sat up, completely still, while she covered herself with our sheets. I quickly dropped my things and darted towards the bitch, pulling her by the hair and screaming at her. My husband, on the other hand, said nothing and just sat there. Within several minutes of attacking the bitch, she ran out while I stood in the doorway of our bedroom looking back at him once again waiting for him to say something.

"Baby, it's just not what it looks like." He whimpered, but I hushed him putting my lips against his, sliding my tongue along them. "I know this happened because I'm working too much?" I pouted, pulling off my blouse and bra. He looked dumbfounded. "I'll show you there's no other woman out there but me." I moaned grinding his already erect cock. I lifted my skirt and massaged my clitoris "Ahh!" I whined as his lips found my neck. I was already soaking through my panties and he'd been growing impatient, I gripped his cock and pressed it against my pussy, pushing it inside me. After adjusting myself, I began bouncing on his cock, riding him hard.

I cried "Harder, do it harder." as his sex ground into mine and not too much later his hand struck my ass. Again, and then again. I

rode him faster and faster, grinding my pelvis into his, rubbing my clit against the base of his cock and I heard him grunt as he began to fill me. It was a thick load and it overflowed out of my pussy. A few thrusts later and I finally achieved mine, squirting onto his cock and falling onto his chest. "I love you." I panted before kissing his cheek. I went down and began to lap up our cum and he grew hard once again. I gripped him and sucked on his cock. I loved massaging his balls. I loved everything about them. I leaned down and sucked on them while his cock grew thicker and harder, I wanted to him to fuck my boobs. I pulled him to sit up but before he could question what I was doing I was rubbing the tip of his cock against my nipple. I pressed them together offering friction for his thrusts.

I loved it when he played with them because they were immensely sensitive. "I want you to cum on my tits!" He shook his head at me and I pouted until he pulled me up and shoved me against the wall to press his cock to my pussy. I moaned as he covered my mouth with his and thrust harder into me. I moaned wrapping my legs around him, "Fuck meeeee!" He groaned and came inside me again but didn't slow down. His balls smacked against me and his panting grew heavy. Just the moans threw me over edge and I squirted all over his cock, screaming in ecstasy. We stayed that way for a few minutes and I didn't attend my meeting that afternoon.

— Rylee, MA

40+: I like a lady who knows what she likes. Speaking of which, do you like sex?

Jayden: Really? That's what you're asking me!

40+: Yeah, but you know I mean more than just sex.

Jayden: Okay, I get it. Why do I like lots of sex? Why is it my living? Why do I like both guys and girls?

40+: Okay, got me... Interview's over. (beers come)

Jayden: I love sex. I love everything about it, including the close personal contact. I'm a bit of touchy-feely kinda girl. My neck hairs stand up when someone

WORLDLY LOVERS

Morgana had the body of a super-model. She was quite blond, smart and very sexy. She's Dutch and I was vacationing in Rotterdam when we got to know each other over the Internet. We both discovered that we loved sex and decided to meet at a cafe and to make it happen. She invited me to her house in the suburbs and I was very surprised when she asked me to sleep with her from the first night. Of course, we began to kiss and then she asked me to lick her pussy. She was very satisfied, not only by the oral sex, but by all the positions we tried, including doggy-style. I even had the courage to cum inside her, because I don't like to use the condoms. We spent many a day and night together for more than six months and our sexual experiences got richer and richer. Now I feel that I'm able to do to a woman

anything she wants – regarding sex. I can do anal, oral, normal.

We ultimately split up and I met another Dutch lady that I pursued for a few months. She was inattentive at first, but I think my persistence wore her down. One day she agreed to have dinner with me by the water and afterwards we went for a walk along the promenade. We came upon a relatively secluded spot and I began to kiss her on her mouth and her nipples until she got very excited and horny. Then we both went to a park and laid down on the grass. I started to

kiss her body and my dick got harder than ever. She grabbed my cock and pulled it into her pussy. She liked my cock in her pussy. As I began to push harder, she started to moan loudly. I thought we were going to be discovered, but neither of us could stop. We both climaxed quickly and we both were satisfied. I was happy because I succeeded to fuck her after all the time I spent chasing her. After that first night, she wanted to make love every time and everywhere. We liked to go out into nature and have wild sex away from everyone which was like a dream to me, especially because we were living in a very cosmopolitan area of Holland.

One of my favorite positions is when the girl sits on top of me and bends her body down towards me. I also like to take her with her back to me on her

knees – doggy. I'm not a big fan of having sex during winter, but during the warm and hot seasons, I'm ready to go all the time. I like European women and American women and would love to have sex with an Asian woman one day soon. I also like shaved pussy rather than the hairy pussy.

I've never written to a magazine before and it's probably going to a long time before the next one, but I just had to tell you about my Dutch girls.

– Zach, VA

kisses me there. My nipples erect almost immediately when they're licked. My pussy gets wet at the sound of the word 'wet', and I have cum seven times in one night. I like to watch porn, especially lesbian porn. It's much more delicious to me than a cock pounding, although in real life, I love cock poundings. I love one-on-one sex and I love a good orgy... Oh... it's time for you to order the next beer!

My friend Ron is a real cut-up. He always knows how to make me laugh. He also knows how to make me cum. My friend Ron has a nine-inch cock and that helps him make me cum. While it doesn't fit in my mouth, it fits in my pussy.

His cock can't go all the way in me, believe me, we've tried, so I'm content with six inches and he's content too. The best part is when he pounds my pussy hard and I can feel him ensing up as he's ready to cum. It sends me off the top and I cum too, then pull him out so I can see his man-milk.

Sex has always been at the top of my "To-Do" lists. Back in college I began making to do lists and my first one had my classes as the top three items. Then I thought about it for a while and I revised it several times. My final list? It had SEX as the top three items. Happy me.

I didn't revise my To-Do list for three years and that's when I added girls to it. I was hit on so often that it broke down my barriers and I began to find fucking girls to be quite exciting. Oh yeah, I'll never give up the hard cock, but a soft, squishy pussy is a whole lotta fun. Besides, half the people in world have one.

When I got married a few years ago, I received four dildos for wedding shower presents. At first I was embarrassed, but my married friends told me I would soon be needing them. I didn't know what they meant until I divorced a year later. That cheater!

Since the wedding shower, I've added a few more vibes and dildos to my collection and I've never been happier. I have one for each night of the week and that's how I enjoy them. Plastic, glass, long, thin, double, vibrating and thick. I'm set, but still want a man every now and again. But not now...

the problem fixer

for the last ten years, I've been a handyman and do plumbing, electrical, screw in light bulbs, paint walls and ceilings... you get the drift. I'm registered on a couple of these home improvement websites that have various types of help on the site so you can find people to do work for you. Well, that's me. I'm on my last day at Mrs. Taylor's house. It's Friday and I'm at her house at eight in the morning. I should have finished yesterday, but she kept finding things that needed fixing and so I stayed on. Ms. Taylor is an attractive forty-something divorcée. I wait by my car for a couple moments and she comes out of her house. We shared morning greetings and talked briefly about the day ahead.

Mrs. Taylor manages a high end jewelry store at the mall. She always looks nice, but today she looked especially grand. Her long hair and makeup were done perfectly. She was wearing a modest cream colored outfit. A jacket was folded over her forearm so she wouldn't sit on it in the car. Her boobs were pushing against her top and really made her figure curvey. She saw me checking her out and asked me if I liked her outfit. I told her she looked fantastic and asked why so dressed up. She said she had a bunch of ritzy foreign clients coming into her store and she had to wine-and-dine them later. I wished her good luck. She smiled a 'Thank you.'

I went over the note she gave me and went in to fix the items. I did not finish them all and left a note on her kitchen counter that I needed

about another couple hours to completely finish up. "Could I come by in the morning to finish?" it said and to call me. She called and said to come over at noon. When I got there, she was really dressed differently. Tank top, mini-skirt, glasses and her hair up. She looked like a whole other woman. She told me she would be gone until mid-evening, so I should feel free to get into her house to start my work. She told me she had to get going, and I opened her car door for her. As she got into her car, her skirt rode up, and I saw a nice bit of her curvy legs and thighs, and she pulled it up a bit higher, saying she hoped the air conditioning would cool the interior down quickly.

I went back to my car to get my tools (with a stiffening erection). There was a sort of sexual excitement this woman created in me, and which I hoped to explore. I grabbed my tools, let myself into her house, and went up to her room. The silky nightgown I had seen in there the day before was on her bed, and I couldn't resist touching it. Soon, I was pleasuring myself with it and inhaling the scent of her on it. I stopped short of finishing myself, replaced it as it was, and went to work.

I spent a restless night after this encounter with Mrs. Taylor. I suffered from a combination of arousal, guilt and shame. The next day, I called her because I realized I had forgotten a couple power tools over there and I needed them for next week. Her car was parked in her driveway, and I parked behind it. She must have

seen me pull up because she was at the door by the time I got to the front steps.

She invited me into the house and I followed her into the living room. She offered me a drink and I asked for some water since it was another hot and humid day. Mrs. Taylor was dressed for the weather in just a plain white v-neck t-shirt and short shorts. She wasn't wearing a bra and her breasts pushed against the t-shirt fabric. We talked about the work I had been doing. She told me it was very well done and that she appreciated the time and care I took in doing it. She also said she noticed some dry milky white spots on her bed. I immediately turned crimson and stumbled over my explanation. She listened intently until I finished, then told me it was nothing to worry about. She said she hadn't had any men in her bed since her divorce.

She spoke some more to make me feel at ease, then told me – didn't ask me – told me – to follow her upstairs. She led me into her bedroom and I thought she was going to show me the spots, but instead she came over to me and started hugging me. My penis went from limp to erect in two seconds under my jeans, and the feel of her breasts against my chest was amazing. She stepped back and told me to disrobe and she'd be right back. I did and she did and I stood there naked totally aroused as she

came back to the bedroom.

She came over to me and took hold of my cock and stroked it a few times. Then she took my hand and put it on her crotch and pressed it hard. With that, she pulled the t-shirt over her head exposing her gorgeous breasts with their hard nipples, then slipped her shorts off.

She walked slowly around the room, and with each step her breasts swayed as she moved. I was stroking my erection, and she was playing with her nipples, and then came over and stood next to me. She kneels in front of me and starts sucking my dick like she was hungry and hadn't sucked dick for a long time. Her eyes were half closed and didn't make contact with my eight-inch erect cock. Mrs. Taylor pulled me back to the bed and we both laid down on it. We got into a 69 with her on her back, sucking me as I licked her pussy and sucked on her engorged clit. After a few minutes, I could tell her body climbed closer to orgasm.

All at once she stopped sucking me and began shuttering and moaning uncontrollably. She convulsed and tightened up for nearly a minute squirming around. Finally she opened her eyes and looked at me with the look of a wild woman. We then changed our positions and I moved between her legs as she lay there; her lower body totally relaxed and nearly limp

from her first real orgasm with a man in a long time. I knelt and spread her legs slightly as I rubbed my cock head around her thoroughly lubricated opening. I slid as much of my cock into her as I could. Her pussy was stretching around me. She didn't lurch or resist when she felt it go inside her. She just lifted her butt up and spread her legs to allow total access. I placed my hands on either side, grabbing her butt cheeks, and drove my cock hard into her. She went crazy. She didn't struggle to handle my size at all in her pussy – she just squeezed and enjoyed the thrusts.

After about ten long minutes of pumping my cock into her, she came hard and her cum added lubrication and sensitivity as my cock slid in and out of her. I was not finished and after a few more fast minutes, I let loose and with a few deep, short thrusts my cock started to spasm and fill her pussy full of my cum. I spurt seven or eight times and she pulled my butt hard so my cock was in her as deep as it could be. Spent, I finally pulled out.

I was kissing her mouth and asked her if she was ready for more. She said she needed a few minutes and I was relieved because I did too. After a short ten minute rest, I restarted things by massaging her back and kissing her neck. I slowly, gently played with her butt hole with my fingers and she squirmed a bit with the new

sensation but didn't seem to object. I slipped my fingers into her pussy and lubed them up with her juices and my cum. I rubbed it on my cock and rubbed my cock head around her tight pucker. I eased it in gently, my cock still only semi erect, and slowly felt her anus relax enough as I tried to enter her ass. I find anal sex to be the ultimate.

Mrs. Taylor screamed and squirmed as I was finally into her ass most of the way and my cock started getting harder inside of her. I could only fit so far into her as her tight sphincter was choking my cock. I felt it relax and I began sliding it in and out. My thrusts lifted her up and stretched out her ass hole. The build up was intense. She began to squirm and press hard against me with a crazy orgasm while she was rocking on my cock. As she came, her ass tightened and spasmed finishing me off as well as I pumped all of the cum I had left in me into her ass. I dismounted her and she just laid there not saying a word.

When I finished, she got off the bed and went to her purse and paid me sitting naked on her bed – and that was it. She thanked me for all my hard work and told me she would get in touch with me if she ever needed anything else fixed. I took her check, folded it and put it in my wallet, grabbed my tool kit, and showed myself out the door. So here's to you, Mrs. Taylor.

As she came, her ass tightened and spasmed finishing me off as well as I pumped all of the cum I had left in me into her ass.

TANNER & MIKKI

So you think you know what goes on at the local garage when your wife goes in to pick up her newly serviced car? We caught the cashier and the wife going at it on the floor of the garage. The hi-def security cameras didn't miss a single kiss or lick. No fast-forwarding.

A woman with blonde hair, wearing a white tank top, is looking out of the open rear window of a car. The car's interior, including a black plastic trim with circular holes, is visible. The background is dark and out of focus.

Just to be sure, it's not like she
can't pay her bill. She can. It's
because she found the cashier
incredibly attractive, and horny.
So it took just a little flirting, a
little eye-batting and soon, tops
were off, tongues were out and
the licking began. And didn't
end until they were both satis-
fied. Now that's what we call
good service.

My whole life changes when I enlarged my boobs, And it changed again when I enlarged them some more. Now, I'm happy with them, and all my lovers. You gotta admit, they do look good, and I wear them well on my petite five-foot frame!

Wow, this was great. I had a blast today with all the sex and fucking. We must have gone at it for three hours or more. By the time he finished with my mouth, I wanted my pussy fucked so bad, I started without him until he was ready to do me. And man, did he do me right. I think I'm going to sleep well tonight.
